GREEN AFRICA is the leading platform that brings together professionals looking to find innovations and solutions around environmental management.

It has become the benchmark event for industries seeking to minimize pollution effects and move towards a sustainable future where the economy and the environment are mutually beneficial.

Thinking about sustainability in an innovative way.

It is at the same time a solution platform, a networking event and a knowledge hub, and brings together the key international industry representatives from politics, business and science. As the largest trade fair for the water, wastewater, recycling and municipal technology sectors, Green Africa offers exciting ideas and innovative solutions for industrial and municipal challenges with exhibits you can experience in action and up close. This is what makes the world's leading trade fair for environmental technologies more versatile and results-oriented than any other.

GREEN AFRICA is a showcase of environmental solutions for industry, the city and territories, and a springboard for market innovations and international development. The complete 360° offer offered by GREEN AFRICA is divided into 10 exhibition sectors.

GREEN AFRICA is the regional reference events for environmental solutions for all professional and public actors in Africa.

The event is the ideal opportunity to present your company's products and services to a committed and environmentally conscious public. Get valuable leads, connect with new and existing customers, and increase your brand awareness while helping to promote a sustainable lifestyle and business practices.

By exhibiting at the GREEN AFRICA exhibition, you can reach a wide range of potential customers (companies, cities, territories, industries, construction...) in one place.

Exhibit at GREEN AFRICA & be part of the leading event in your sector!

Article 1: Admission

1. The organizer accepts, as exhibitors, all Tunisian and foreign companies deemed to have the status of manufacturers and suppliers of oil, gas, energy and services, importers, exporters, researchers, legal or natural persons, interested in the exposure
2. The goods, products or services presented must enter in the nomenclature of the elements admitted to be exposed and legally marketable in Tunisia. Admissions to the exhibition are personal and non-transferable. It is stipulated that the signature of a request for participation commits a full payment of the related amount.
3. The acceptance of "requests to participate" and the allocation of locations are the exclusive competence of the show's organizing committee, which will proceed in accordance with its organizational requirements
4. Payment of all invoices is due before the opening of the exhibition. If by this deadline the amount of the site fees was not paid, the amount of the invoice will be increased by right and without prior notice of 1% penalty per month of delay, Xtrade for Event has in this regard d" a right of retention on the exhibited articles and the movable elements belonging to the exhibitor.
5. Payment of the amount to be paid must be made in time (before May 16, 2026), in any case after the start date of the exhibition. The exhibitor has the right to occupy the space allocated on the express condition of having paid the payment to the organizer. This right cannot be transferred to third parties

Article 2: Disclaimer

1. Withdrawals, for any reason, must be communicated to Xtrade for Events by registered letter or by telegram, no later than 60 days before the start of the event.
2. The cancellation notified 60 days before the show, will allow the reimbursement of the payment made with the exception of booking fees
3. The withdrawal notified at the latest 30 days before the show will exempt the exhibitor from the payment of fees and compensation, however the sums paid as a deposit remain the property of Xtrade for Events
4. Withdrawal no later than 15 days before the start of the event will allow the exhibitor to pay all of the fees and allowances relating to their participation.

Article 3: General terms of exposure

The assembly of the stands will begin one (1) week before the official opening of the exhibition, the end of the stand assembly must be completed at noon the day before the opening. The height of the stands must not exceed 2.3 meters unless expressly agreed in writing. The buildings and equipment of the kram exhibition center cannot be damaged under any circumstances.

During the exhibition:

- o During the exhibition period, the exhibitor is obliged to occupy the space allocated to him until the end of the event. The products exhibited must not be covered during the opening hours of the exhibition.
- Exhibitors or stand staff are prohibited from advertising, in any way, in or around their stands, for a firm other than their own or that which they represent.
- Exhibitors are also prohibited from transferring their stand to third parties, renting it, making it available to a third party or transferring it.
- Any advertising, demonstration or improper solicitation in the aisles near the stands (loudspeakers, etc.) likely to inconvenience the occupants of neighboring stands are strictly prohibited. The exhibitor must stand in the space allocated, and all advertising material must be in this space.

At the close of the exhibition:

- The dismantling of stands and their evacuation must be done within a period not exceeding 48 hours from the end of the exhibition.

- Before the closing of the exhibition, it will not be allowed to start any dismantling operations whatsoever, or even to take away material already exhibited. The removal of the equipment must also be accompanied by the obtaining of an exit voucher which the exhibitor must collect from the trade fair commissioner, on the express condition that full payment has been made. On the contrary, we recognize the company of international fairs of Tunis "ITF" the right to withhold the goods on display until payment is made.
- After one day, ITF will invoice a lump sum of 50DT per day.
- Exhibitors must leave the locations and equipment made available to them in the state in which they found them. Any damage caused by their installation or their goods must to the equipment, either to the building, or finally to the occupied floor, will be evaluated and put at the expense of exhibitors.

Article 4: Formalities

1. Insurance: In addition to the insurance covering the exhibits, the exhibitor is required to take out, at his own expense, all insurance covering the risks that he and his staff incur or cause to run to third parties. The organizer is deemed to be relieved of all responsibility in this regard, in particular in the event of loss, theft or any damage.
2. Guarding: Guarding of stands and their content is only ensured during the closing hours of the show. During opening hours, products and materials are the responsibility of the exhibitor, who undertakes to do so.
3. Customs: It is up to each exhibitor to complete customs formalities for equipment and products from abroad. Xtrade for Events cannot be held responsible for any difficulties that may arise during these formalities.

Article 5: Major or unpredictable forces

In the event that, for major or unpredictable forces, the event cannot take place, requests to participate will be canceled and the sums from the payments already made by the exhibitors and remaining available after deduction of the expenses incurred by Xtrade for Events, will be distributed to them in proportion to said payments without it being expressly possible to exercise recourse, in any capacity whatsoever against Xtrade for Events.

Article 6: Official catalog and other publications

A catalog of the show will be distributed to all exhibitors establishing the list of participating companies, the type of products they present and the position they occupy. Xtrade for Events can in no way be held responsible for identifiable errors and omissions in the catalog advertisements, if the exhibitor does not provide the specific indications, or if these will not be exact.

Article 7: Application of the regulations

Exhibitors by signing their requests to participate accept the provisions of these regulations. Any violation of the provisions of the general regulations may result in the exclusion of the offending exhibitor.

Compensation is then due by the exhibitor as compensation for the moral or material damage suffered by the event. This compensation is at least equal to the amount of the participation which remains acquired by Xtrade for Events without prejudice to the additional damages which could be requested by Xtrade for Events has in this respect a right of retention on the exhibited articles and the elements furniture or decorative items belonging to the exhibitor.

- In case of dispute and litigation, the courts of Tunis have sole jurisdiction.

**Exhibitors formally commit
To respect the clauses of these general regulations**

The height of the stands must not exceed 2.3 meters unless expressly agreed in writing. The buildings and equipment of the kram exhibition center cannot be damaged under any circumstances.

During the exhibition:

- o During the exhibition period, the exhibitor is obliged to occupy the space allocated to him until the end of the event. The products exhibited must not be covered during the opening hours of the exhibition.
 - Exhibitors or stand staff are prohibited from advertising, in any way, in or around their stands, for a firm other than their own or that which they represent.
 - Exhibitors are also prohibited from transferring their stand to third parties, renting it, making it available to a third party or transferring it.
 - Any advertising, demonstration or improper solicitation in the aisles near the stands (loudspeakers, etc.) likely to inconvenience the occupants of neighboring stands are strictly prohibited. The exhibitor must stand in the space allocated, and all advertising material must be in this space.
- At the close of the exhibition:
- The dismantling of stands and their evacuation must be done within a period not exceeding 48 hours from the end of the exhibition.

- Before the closing of the exhibition, it will not be allowed to start any dismantling operations whatsoever, or even to take away material already exhibited. The removal of the equipment must also be accompanied by the obtaining of an exit voucher which the exhibitor must collect from the trade fair commissioner, on the express condition that full payment has been made. On the contrary, we recognize the company of international fairs of Tunis "ITF" the right to withhold the goods on display until payment is made.
- After one day, ITF will invoice a lump sum of 50DT per day.
- Exhibitors must leave the locations and equipment made available to them in the state in which they found them. Any damage caused by their installation or their goods must to the equipment, either to the building, or finally to the occupied floor, will be evaluated and put at the expense of exhibitors.

Article 4: Formalities

1. Insurance: In addition to the insurance covering the exhibits, the exhibitor is required to take out, at his own expense, all insurance covering the risks that he and his staff incur or cause to run to third parties. The organizer is deemed to be relieved of all responsibility in this regard, in particular in the event of loss, theft or any damage.
2. Guarding: Guarding of stands and their content is only ensured during the closing hours of the show. During opening hours, products and materials are the responsibility of the exhibitor, who undertakes to do so.
3. Customs: It is up to each exhibitor to complete customs formalities for equipment and products from abroad. Xtrade for Events cannot be held responsible for any difficulties that may arise during these formalities.

Article 5: Major or unpredictable forces

In the event that, for major or unpredictable forces, the event cannot take place, requests to participate will be canceled and the sums from the payments already made by the exhibitors and remaining available after deduction of the expenses incurred by Xtrade for Events, will be distributed to them in proportion to said payments without it being expressly possible to exercise recourse, in any capacity whatsoever against Xtrade for Events.

Article 6: Official catalog and other publications

- Exhibitors or stand staff are prohibited from advertising, in any way, in or around their stands, for a firm other than their own or that which they represent.
- Exhibitors are also prohibited from transferring their stand to third parties, renting it, making it available to a third party or transferring it.
- Any advertising, demonstration or improper solicitation in the aisles near the stands (loudspeakers, etc.) likely to inconvenience the occupants of neighboring stands are strictly prohibited. The exhibitor must stand in the space allocated, and all advertising material must be in this space.

At the close of the exhibition:

- The dismantling of stands and their evacuation must be done within a period not exceeding 48 hours from the end of the exhibition.

- Before the closing of the exhibition, it will not be allowed to start any dismantling operations whatsoever, or even to take away material already exhibited. The removal of the equipment must also be accompanied by the obtaining of an exit voucher which the exhibitor must collect from the trade fair commissioner, on the express condition that full payment has been made. On the contrary, we recognize the company of international fairs of Tunis "ITF" the right to withhold the goods on display until payment is made.
- After one day, ITF will invoice a lump sum of 50DT per day.
- Exhibitors must leave the locations and equipment made available to them in the state in which they found them. Any damage caused by their installation or their goods must to the equipment, either to the building, or finally to the occupied floor, will be evaluated and put at the expense of exhibitors.

Article 4: Formalities

1. Insurance: In addition to the insurance covering the exhibits, the exhibitor is required to take out, at his own expense, all insurance covering the risks that he and his staff incur or cause to run to third parties. The organizer is deemed to be relieved of all responsibility in this regard, in particular in the event of loss, theft or any damage.
2. Guarding: Guarding of stands and their content is only ensured during the closing hours of the show. During opening hours, products and materials are the responsibility of the exhibitor, who undertakes to do so.
3. Customs: It is up to each exhibitor to complete customs formalities for equipment and products from abroad. Sti expo cannot be held responsible for any difficulties that may arise during these formalities.

Article 5: Major or unpredictable forces

In the event that, for major or unpredictable forces, the event cannot take place, requests to participate will be canceled and the sums from the payments already made by the exhibitors and remaining available after deduction of the expenses incurred by Sti expo, will be distributed to them in proportion to said payments without it being expressly possible to exercise recourse in any capacity whatsoever against Xtrade for Events.

Article 6: Official catalog and other publications

A catalog of the show will be distributed to all exhibitors establishing the list of participating companies, the type of products they present and the position they occupy. Sti expo can in no way be held responsible for identifiable errors and omissions in the catalog advertisements, if the exhibitor does not provide the specific indications, or if these will not be exact.

Article 7: Application of the regulations

Exhibitors by signing their requests to participate accept the provisions of these regulations. Any violation of the provisions of the general regulations may result in the exclusion of the offending exhibitor.

Compensation is then due by the exhibitor as compensation for the moral or material damage suffered by the event. This compensation is at least equal to the amount of the participation which remains acquired by Sti expo without prejudice to the additional damages which could be requested by Sti expo has in this respect a right of retention on the exhibited articles and the elements furniture or decorative items belonging to the exhibitor.

- In case of dispute and litigation, the courts of Tunis have sole jurisdiction.
